Join the Chamber's Endorsed Workers' Comp Group Rating Program

Why Choose Us?

- Complete discount analysis for group rating and additional programs
- Savings tiers in every industry, up to BWC maximum
- Over 95% of our group members renewed with us last year
- Industry leader since 1946
- Superior, personalized service from expert staff, including account executives, rate analysts and claims adjusters
- Show your support by joining your peers in our endorsed group

Unsure of where to find answers to your workers' compensation questions?

In this continuously changing workers' comp environment, let the Wilmington-Clinton County Chamber of Commerce and Frank Gates/Avizent, Ohio's oldest operating third party administrator, help you navigate through industry challenges and uncertainty.

Our group rating program can provide stability.

Leverage the power of your Chamber membership. Join industry peers in our group rating program to reach your highest possible workers' comp discount – up to BWC's current maximum off premiums – through our multiple savings tiers!

Beyond group rating, let our endorsed program administrator, Frank Gates/Avizent, seek other sources of premium relief, including alternative BWC programs and safety. They can determine the most cost-effective action plan, customized for you.

Why choose the Chamber's group? High savings, valuable program analysis and more:

- Attractive discounts, competitive low fees and – as a member – no additional dues
- Complete program analysis and aggressive risk management strategies
- Program administration from a strong, stable industry leader
- Reliable, personalized service
- Retention levels consistently above 95%
- Advocacy and advice to help you navigate industry challenges

Don't miss out on your Chamber member discount! See how we can make a difference.
