

Do you often find yourself trying to answer these questions?

- How can I save money on my workers' compensation premiums?
- How can I reduce my administrative work load?
- How do I know my workers' comp claims are being properly administered?

**If you find yourself searching for the answers to these questions,
Hunter Consulting Company can help!!!!**

In addition to our expert claims administration, we also provide:

- **Competitive premium discounts.**
- **Legal representation at all BWC hearings pertaining to claims matters within the BWC and Industrial Commission.**
- **Professional guidance with BWC Audits.**
- **Annual safety seminars.**
- **Automatic inclusion into the exclusive Defense Fund Program (through your chamber membership).**

All of these services are included in our exceptionally competitive administrative fee.

NO HIDDEN CHARGES

**All you need to do is join a
Chamber of Commerce that is a member of SOCA
and call
Hunter Consulting Company**
