Our Goal:

*The goal of the Kids Market is to allow a space where kids have an opportunity to sell their crafts or items they have made or produced. Items must be primarily produced by the kids with some parent/guardian assistance as needed.

*The Kids Market will allow kids to experience what it is like to invest in an idea, use their creativity to produce items that others will want to purchase.

*We want kid vendors to create a name for their booth. Set up can be a simple table but we encourage kids to decorate their table to attract the attention of potential customers. We encourage kids to have a canopy as the market is held rain or shine.

Rules for Kid Vendors and Parents/Guardians:
